Copies of the listed documents which are not U.S. patent documents are attached. application. A copy of the Supplementary European Search Report is attached.

Of the documents cited in the search report, JP 2-211995 and JP 2002-120085 were already submitted to the Patent and Trademark Office in a previous Information Disclosure Statement.

The Applicants' representative certifies that the listed documents were cited in a communication from the European Patent Office in a counterpart foreign patent application not more than three months before the filing date of this Information Disclosure Statement.
